OFFICE OF PETITIONS

In re Application of
Mark Hamilton Jones
Application No. 09/810,800
Filed: March 15, 2001
Attorney Docket No. 5450 PA02

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b)¹, filed January 7, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The instant application became abandoned on March 30, 2004, for failure to submit within three months, a proper and timely response to the final Office action mailed on December 29, 2003. By Advisory Action dated July 14, 2004, petitioners were informed that the reply to the Office Action, filed June 7, 2004 (May 29, 2004 certificate of mail date) with a two month extension of time, did not place the application in condition for allowance. This petition and decision on petition precedes the mailing of the Notice of Abandonment.

¹Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

Petitioner has submitted a Request for Continued Examination (RCE) and an amendment as the submission required under 37 CFR 1.114.

This matter is being referred to Technology Center 3711 for processing of the RCE and submission.

Telephone inquiries related to this decision should be directed to the undersigned Petitions Attorney at (571) 272-3212.
